

**Summer Breakfast Program:** Well, another summer has come and gone but not to be forgotten because of the lovely weather we had. It also won't be forgotten because of the success of our Breakfast Program. **We provided a nutritious breakfast to 1,133 people of all ages-AMAZING! God is good all the time!** I want to say-on behalf of the Mothers' Union Breakfast Program- a very sincere thank you to everyone who helped in any way-big or small. Thank you to those who made donations to our cause. We had a great group of dedicated volunteers show up every day who jumped in and did whatever was needed and for that we are truly thankful. Maybe next time we will have more faces added! Now it is time to clear our heads, rest our feet and legs and look forward to Summer 2019! It will be here before you know it! **God bless you - one and all!**
